Bleacher represents a spectator, place to rest, point of view, and where you sit in life. Notice when a bleacher appears in your intuitive messages.

Intuition Tip

You can sense when someone experiences physical pain, by how your own body feels. Notice the area in your body where you feel their pain.

- 1) Upper body
- 2) Lower body
- 3) Entire body

Protect yourself with prayers.

Intuition Exercise

As you wake up one morning,
A thought pops in your head.
You hear it loud and clear.

It provides a glorious message for you, for June.
What does your thought bring to light?

Intuition Quote: "Live by intuition and inspiration and let your whole life be revelation."
—Eileen Caddy

An Intuitive Experience

Singer, Songwriter, and Musician, Paul McCartney

Paul McCartney stated that in 1968 he dreamed about his mother, Mary, during a tense period surrounding recording sessions, for a Beatles' album. His mother had died of cancer when he was fourteen years old. In the dream, she told him, "It will be all right, just let it be." His mother's visitation inspired him to write the hit song, *Let it Be*.

*When I find myself in times of trouble, Mother Mary comes to me
Speaking words of wisdom, let it be.*
