Promoting Inner Wealth for All

DISCOVER YOUR INTUITION

Prophetic Dreams on the Rise

Have you ever experienced a dream that came true within days, weeks, months, or years? If so, you're not alone. Many people experience prophetic dreams about known and unknown people, places, and things. Sometimes when you share your dreams with others, they doubt you due to rationalization, skepticism, or fear. Yet, time delivers validations.

Prophetic dreams stay on your mind or pop back into your consciousness when their events take place. They include:

- Job gains and losses
- Weather breaks and disasters
- Medical breakthroughs and breakdowns
- Births and deaths

Pay attention to your prophetic dreams and be prepared.

Intuition Exercise

You turn on your TV.

A new program, *All About You*, airs at 8:00 p.m.

A main character—you—recites the opening line.

What prophecy do you reveal for yourself?

Intuition Quote: "God gave women intuition and femininity. Used properly, the combination easily jumbles the brain of any man I've ever met."
—Farrah Fawcett

Windows provide protection, possibilities, outlooks on life, and views into a person's soul. Notice when windows appear in your intuitive messages.

Intuition Tip

When a friend or relative tells you about someone you never met, describe them before they do. Sense that person's:

- Race and age
- Hair and eye color
- Height and weight

Your friend or relative can verify your accuracy.

An Intuitive Experience

Legendary Singer-Songwriter, Loretta Lynn

Country music singer-songwriter, Loretta Lynn, noticed her spiritual gifts, after marrying her childhood sweetheart and moving far away from her parents' home in Kentucky. At age 14, she was pregnant and homesick and received premonitions as to when letters would arrive from her mother. She also had a vision of her father's death the instant he suffered a fatal stroke in 1959 and knew her son had drowned in 1984, after she experienced a seizure that nearly left her unconscious.

Ask yourself this question:

What premonitions have I had during my lifetime?
